Because innovation is always ahead of its time

Saying "hello" to our 2022 INOV Contacto Trainees, Mafalda and Rui.

Looking to expand their knowledge and begin their work experience, Mafalda and Rui have a hands-on approach program. This is typical for Logoplaste, where we integrate trainees into real projects so they can better understand the ramifications of what they learn.

Logoplaste has been hosting INOV CONTACTO trainees for 25 years, with a total of 62 people going through the program.
