BECAUSE INNOVATION IS ALWAYS AHEAD OF ITS TIME

Clean Oceans, Better World

Operation Clean Sweep (OCS), led by the plastics industry, aims at achieving zero pellets, flakes and powder loss.

This means implementing measures to ensure no raw material or even small piece of plastic enters marine environments via drains or streams.

LOGOPLASTE HAS SIGNED THE OCS PLEDGE AND WE ARE COMMITTED TO PREVENTING OCEAN POLLUTION

Our pledge includes all our manufacturing sites. By end of 2021 all plants will be in compliance with OCS requirements and audited.

SUSTAINABILITY IS ACHIEVED TOGETHER JOIN US IN CREATING A BETTER WORLD
